SWGLA

SOUTHWEST GRASSFED LIVESTOCK ALLIANCE

TECHNICAL ASSISTANCE

FOR SWGLA MEMBERS

Practical, one-on-one guidance to help you strengthen your grassfed livestock operation - from pasture to market.

PERSONALIZED SUPPORT FOR YOUR OPERATION

Start with a conversation about your goals and challenges. We help identify priorities, connect you with relevant expertise, and turn ideas into actionable next steps.

★ GRAZING & PASTURE PLANNING

Grazing strategies, pasture utilization, forage planning, stocking considerations, and improving land and livestock management.

★ LIVESTOCK PRODUCTION

Grass-finishing approaches, production planning, seasonal decisions, and navigating the transition to grassfed production.

★ FINANCES & RECORDKEEPING

Track expenses, understand cost of production, review budgets, and use financial information to guide decisions.

★ BUSINESS PLANNING

Clarify business goals, evaluate opportunities, develop practical plans, and prioritize the next steps for your operation.

★ MARKETING & MEAT SALES

Explore pricing, processing, carcass yields, direct-to-consumer marketing, and ways to reach your customers.

★ CONNECTIONS & RESOURCES

Get connected with SWGLA educators, producer networks, educational materials, and resources suited to your needs.
